

REGISTRATION FORM

LAST NAME / FAMILY NAME / APELLIDOS _____ FIRST NAME / NOMBRE _____
NAME OF INSTITUTION / INSTITUCIÓN _____ POSTAL CODE / C.P. _____
ADDRESS / DIRECCIÓN _____ COUNTRY / PAIS _____
CITY / CIUDAD _____ STATE / PROVINCE _____ E-MAIL _____
TELEPHONE / TELÉFONO _____ FAX _____

Registration is free, but there is a limited number of participants
Plazas limitadas

Registration will be given first come served
Se irán confirmando las inscripciones según orden de llegada

Registration Form must be completed and e-mailed before April 17th 2009 to:
Es necesario cumplimentar el boletín de inscripción y enviarlo mediante correo electrónico antes del 15 de abril de 2009 a:
Mrs Sally Brown, BriteNet Administrator.
Tel: (+44) 020 8909 5353
Email: tissue.eng@ucl.ac.uk

ORGANIZING COMMITTEE
COMITÉ ORGANIZADOR

Professor Robert Brown
(University College, London)

Mrs Sally Brown
(BriteNet Administrator)

Professor Antonio Campos
(University of Granada)

Professor Miguel Alaminos
(University of Granada)

CELLS AND TISSUES AS THERAPEUTIC TOOLS

Bridge European
Network Meeting

24th April 2009
Aula Magna of the
Medical School
University of Granada

Bridge European Network Meeting

CELLS AND TISSUES AS THERAPEUTIC TOOLS

FINAL PROGRAMME

PROGRAMA FINAL

Introduction

- 10:00 am Welcome from Local & BRIDGE Organisers
10:05 am Welcome from the Dean of the Medical School
10:10 am **Cells and tissues as therapeutic tools in Andalusia**
Dra. Natividad Cuende, Initiative for Advanced Therapies, Government of Andalusia

Section 1

Chair: Professor Robert Brown (University College, London)

- 10:30am **Human Embryonic Stem Cells: a tool for Infant cancer modelling and drug screening**
Dr. Pablo Menéndez, Andalusian Stem Cell Bank, Granada, Spain
- 10:50am **Construction of an artificial human oral mucosa for clinical use**
Prof. Miguel Alaminos, University of Granada, Spain
- 11:10am **Screening of neuroprotective compounds in cell culture and zebrafish**
Dr. Javier S. Burgos, Neuron Biopharma, Granada, Spain
- 11:30am **Networking with Refreshments**
- 12:00pm **Regulation of angiogenic cell responses in 3D tissue models using controlled hypoxia**
Dr. Umer Cheema, University College, London, UK

Section 2

Chair: Professor Antonio Campos (University of Granada)

- 12:20pm **Carotid body transplants in Parkinson's disease**
Prof. José López-Barneo, Institute of Biomedicine of Seville (IBiS), Spain
- 12:40am **Stem cell gene therapy in tissue engineering**
Dr. Susana González, National Center for Cardiovascular Research (CNIC), Madrid, Spain
- 1:00pm **Cell therapy and tissue engineering for improving wound healing**
Prof. Julia Buján, University of Alcalá, Madrid, Spain
- 1:20pm **Networking Lunch**

Section 3

Chair: Prof. Miguel Alaminos

- 3.00pm **Progenitor cell targeted media enables improved 2D and 3D culture of epithelial cells**
Dra. Mónica Arrizabalaga, Genycell Biotech / Cientec, Madrid, Spain
- 3.20pm **Design of a new permeability measurement system for tissue engineering scaffolds**
Dr. Pedro Moreo, University of Zaragoza, Spain
- 3.40pm **High throughput bead-based screening of stem cell differentiation protocols**
Dr. Yen Choo, Plasticell, London, UK
- 4.00pm **Networking with Refreshments**
- 4.30pm **Clinical experiences in the use of tissue engineered skin and oral mucosa**
Prof. Sheila McNeil, University of Sheffield, UK
- 4.50pm **Amniotic membrane as a therapeutic agent for big wounds epithelialization**
Dr. Francisco J. Nicolás, University Hospital Virgen de la Arrixaca, Murcia, Spain
- 5.10pm **Material properties to tune cell behaviour. Surface topography modification for neural cells**
Dr. Elisabeth Engel, The Institute for Bioengineering of Catalonia (IBEC), Barcelona, Spain
- 5.30pm **Closing Remarks & Finish**

GENERAL INFORMATION

Date: April 24th, 2009.

Venue: The Bridge European Network Meeting CELLS AND TISSUES AS THERAPEUTIC TOOLS will take place in the Aula Magna of the School of Medicine, University of Granada (Address: Avenida de Madrid 11, E18012 Granada, Spain).

Certificate of attendance: The participants will be provided with a certificate of attendance.

Inscription: The inscription is free and it gives right to all the scientific acts and coffee breaks. The attendance to the meeting will be recognized as 1 academic credit.

To register: To register, it is necessary to fill up the Inscription Bulletin and to send it by e-mail to Sally Brown (tissue.eng@ucl.ac.uk) before April 17th.

For any further information, please contact with Technical Secretary: Mrs Sally Brown, BriteNet Administrator. Tel: (+44) 020 8909 5353
Email: tissue.eng@ucl.ac.uk

INFORMACIÓN GENERAL

Fecha: 24 de Abril de 2009.

Sede: El Bridge European Network Meeting CELLS AND TISSUES AS THERAPEUTIC TOOLS tendrá lugar en el Aula Magna de la Facultad de Medicina, Universidad de Granada (Dirección: Avenida de Madrid 11, E18012 Granada, Spain).

Certificado de Asistencia: Los participantes recibirán un certificado de asistencia.

Inscripción: La inscripción es gratuita y da derecho a todos los actos científicos y cafés según consten en el programa definitivo. La asistencia al meeting será reconocida como 1 crédito de libre configuración.

Inscribirse: Para inscribirse, es necesario cumplimentar el Boletín de Inscripción y enviarlo antes del 17 de abril mediante correo electrónico a Sally Brown (tissue.eng@ucl.ac.uk).

Para cualquier información dirigirse a la Secretaría Técnica: Mrs Sally Brown, BriteNet Administrator. Tel: (+44) 020 8909 5353
Email: tissue.eng@ucl.ac.uk
